

# SOMERSBY BLACKBERRY

Somersby is available in many different delicious fruity variants, but one of the most popular variants is our blackberry cider. Somersby Blackberry is a fruity flavoured cider with a breath of freshness and a natural mild taste of blackberry, spreading joy and sunny togetherness wherever it is served.

## TASTE

Intense and refreshing apple cider with a balanced fruity blackberry taste. Pleasantly smooth, sweet and slightly sour for a very refreshing drink.

## AROMA

Dominance of red berries and floral notes.

## AFTER TASTE

Long lasting, pleasant acidity and lingering sweetness.
