

Sauvignon Blanc Turranio

Lison Pramaggiore D.O.C. ~ Sauvignon

Alcoholic content: 13% by volume

Serving temperature: 10°C

Bottle size: 750 ml.

Grapes

100% Sauvignon blanc produced in our own vineyards.

Vinification process

Careful harvest. The clean must ferments at the temperature of 18 –19°C. Then the wine ages for 5 months in steel tanks on its noble lees, in order to exalt the varietal characteristics.

Organoleptic characteristics

Colour: pale yellow.

Bouquet: typical, with distinct melon, peach and pepper flavours.

Taste: dry, clean, of notable persistence.

Gastronomic matches

Ideal with first courses with herbs, shellfish and raw ham.
