

LA TORRE , ROSATO SALENTO IGP

Wine obtained from selected Negroamaro and Malvasia Nera grapes, harvested in the morning in the first days of September.

The color is the result of a slight contact between skins and must (just 6/7 hours).

The alcoholic fermentation at a temperature of 15°C and the refining into thermo regulated steel tanks enhance the aromas and the smells of this rosé.

Excellent rosé with a light pink colour, a nice bouquet scent and a fresh aroma of tropical fruits and red little fruits

12.5%vol

750ml

Grape:

80% Negroamaro,

20% Malvasia Nera

Food pairing:

First courses, salads, fish soups, grilled fish and white meats... Try it in aperitive!
