The wines of BODEGA ENATE, a winery within the D.O. Somontano, continue to receive international acknowledgements with a new prize. On this occasion, ENATE's Cabernet Sauvignon Merlot wine has achieved Gold Medal in the 17th edition of the International Berlin Wine Trophy 2013, which was held in Germany. The competition, organized by the DWM, (Deutsche Wine Marketing) boasts sponsorship from the OIV (International Organisation of Vine and Wine) and is recognized by the Senate of Berlin and the European Union. The 130 plus members of the international jury met together between 25th and 28th July 2013 to taste wines that had been entered into the competition and marked them according to strict international directives as set out by the OIV. In just a few short years, this competition has become one of the most important wine tasting events in Germany as well as being of increasing importance at a global level. Given that the wines are subjected to strict quality controls, to win a medal at the Berlin Wine Trophy is an outstanding achievement.
