40 YEARS OF TALENT

"This is the morning that I had expected,
the initial day full and clean,
where keener of night and silence,
and free we live the substance of time."

Sophia de Mello Breyner

SPECIAL EDITION BARROS COLHEITA 1974

Celebrating the 40th anniversary of the 25th April 1974, BARROS launches a limited edition, reflecting a National expression
–POETRY–

Poetry is one of the most pure expressions of linguistic freedom. It is a component of the identity of peoples and embodies the creative energy of a culture.

“...One child said, she said
"when I grow up I will not fight."
Like her, we are free,
we are free to say...”

Extract - Ermelinda Duarte Fonte

SPECIAL EDITION BARROS COLHEITA 1974

Based on a tasting note,
we have created a hymn to freedom.
The words are then aligned and colored
forming a carnation.
An approach that appeals to pride,
peace and union.
Values intrinsically linked to our history.
