## L'icône des liqueurs italiennes

L'Amaretto est sans l'ombre d'un doute la liqueur italienne la plus connue dans le monde. Son succès réside dans son caractère unique et sa grande versatilité. C'est une liqueur qui s'accorde divinement au dessert et à la glace. L'Amaretto Casoni a remporté plusieurs médailles au fil des années. Il a un parfum intense d'amande qui est l'ingrédient principal et en bouche on distingue des notes subtiles de cacao et de vanille.
